

WIMMERA HEALTH CARE GROUP FOUNDATION'S  
**MasterCook**

DO YOU HAVE  
THE RECIPE FOR  
SUCCESS?

**31<sup>st</sup> January, 2011**

## **Last chance to join Master Cook**

More than 20 teams will compete in the Wimmera Health Care Group Foundation's Master Cook competition. Teams will be cooking up a storm during their 30 minute cook-off at Horsham Plaza, and vying for a place in the finals at the Wimmera Machinery Field Days.

"We are thrilled that so many people have taken up the Master Cook challenge," said Denise Leembruggen, a Foundation Trustee and Master Cook competitor.

"We would love to recruit more teams in the next week. Not only will they be raising funds for the Wimmera Health Care Group Foundation, they will also be having a lot of fun, regardless of their culinary abilities.

"There are fantastic prizes for the winners, including a luxury getaway to a gourmet region valued at \$1,500, as well as a package of weekend accommodation and fine dining in Melbourne for the runners up" she said.

Master Cook teams have been raising funds for the Foundation to supplement their registration fee and increase their chances of a berth in the finals. Fundraising events have included shopping nights, morning teas, raffles and sausage roll drives.

Entrants are approaching the competition with a sense of humour, as shown in their team names:

|   |                             |
|---|-----------------------------|
| Community Axis                            | The Axidental Cooks         |
