

Midwife/Registered Nurse – Grade 2 (Readvertised)
PERMANENT AND TEMPORARY POSITIONS AVAILABLE
1.5 EFT

Wimmera Health Care Group is a leading rural health service providing acute, sub-acute, primary and residential care in the Grampians region of Victoria. Located 300kms northwest of Melbourne, WHCG is the subregional, acute referral hospital for the Wimmera region and provides a wide range of specialist services.

We are currently seeking Registered Midwives to join our professional team to provide maternity care with the ability and willingness to also provide general nursing care when called upon. You will be required to work a rotating 7 day, 24 hour roster for 40 hours per fortnight.

Key Responsibilities include:

Deliver patient focused individualised midwifery and nursing care within a multidisciplinary team.

Promote evidence based midwifery/nursing practice.

Provision of antenatal, birth room, postnatal and level 2 special care nursery care.

Demonstrate current midwifery registration and preferably registered nurse registration with AHPRA.

Attractive benefits offered by the organisation include:

Salary packaging,

Professional development and education programs,

Employee assistance program,

Comprehensive orientation program.

Accrued day off (full time employees only)

Flexible rostering

Opportunities for career progression

Free parking

This is a great opportunity to work in a diverse clinical environment and join a reputable rural health service dedicated to the provision of quality patient centred care and to meet the needs of the community.

For more information about these positions contact Hilton Jones, Nurse Manager, Yandilla Ward on (03) 53819256.

Written applications can be sent to Mr Don McRae, Director of Clinical Services, Wimmera Health Care Group, Baillie Street Horsham or e-mail don.mcrae@whcg.org.au by 14th February 2012.

Pre-employment check: All applicants must be willing to undertake a police check prior to commencement of employment.
