

Wimmera Health Care Group Senior Dental Officer

Wimmera Health Care Group is located in Horsham in rural Victoria. It is the acute referral hospital for the Wimmera region, providing a wide range of specialist services. An exciting opportunity currently exists for an experienced professional to join the organisation as the Senior Dental Officer.

The function of this role is to provide quality and emergency oral health services as well as professional leadership in the delivery of a range of dental services throughout the hospitals dental clinic and/or School dental service. Reporting to the Director of Medical Services, the Senior Dental Officer will oversee the operational, financial, quality and human resource management of these areas.

The successful applicant will need:

- Demonstrated clinical experience regarding the treatment of general and complex oral health problems;
- Suitable qualifications and registered as a dentist in Victoria;
- Have proven experience in a similar role;
- Possess effective leadership and communication skills;
- Have the ability to implement change and manage human resource dynamics; and
- Have a strong focus on continuous quality improvement.

Benefits offered by the Health Care Group include:

- Negotiable salary depending on experience and qualifications;
- A comprehensive orientation program;
- Training and development opportunities;
- Availability of salary packaging; and
- Assistance with relocation expenses and accommodation.

Having worked with people from diverse backgrounds, the successful applicant will foster cooperative working relationships with patients and staff. This permanent full time role is available immediately.

Applications detailing key achievements and relevant experience should be forwarded to:
